Suzannah

This mucky MILF (44) leads a secret sex life that her family of four don't realise exists. "My husband hasn't got much of a sex drive, so he allows me to go out on nights of passion with strangers. I can do what I like, as long as I don't leave him, he says. He also likes to hear tales of what I get up to in bed. It's one of the few things that gets him really hard – a dirty story and sticking his dick in my already well fucked pussy!"

STOCKED UP!

During a recent stock-take in the small, upmarket shoe shop that I work in, I discovered Mark, my manager, hidden at the rear of the stockroom, sniffing and licking a pair of exquisite, red leather, stilettos.

I love teasing cock, so after getting Mark to strap the stilettos on my perfectly formed feet, I made him kneel down and stroke, kiss and lick every inch of my feet and my long, slender legs. As he did so, I slowly undressed until I was wearing just my panties, suspenders and stockings. How I wished I was the archetypal dominatrix in a skin-tight, black PVC costume, thigh length PVC boots and a whip.

After making Mark undress and lie on the floor, I lifted up my right foot, placed a

shoe's smooth, leather sole on his hard, thick cock and gently rubbed it up and down his impressive shaft, lightly grinding the tip of the stiletto into his inflated, come-filled balls until he was writhing and groaning with pleasure. The more he begged me to stop, the more I pressed my foot into his cock.

Taking off the shoes, I teased and tormented Mark's

cock with my perfect feet and deep arches. Picking up a stiletto, I pulled aside my panties and slowly ran the long, thin, red patent leather heel up and down my tight pussy groove before inserting it inside my cunt, until I orgasmed with such venom that the entire shoe was marinated with my fragrant cunt juice. Removing the heel from my pussy, I stuck it into Mark's mouth and forced him to clean it with his tongue.

After slowly and sensuously peeling down my stockings and wrapping them around his cock while he masturbated, Mark made me kneel on all fours and thrust my arse out in the air for him. But, rather than fucking me doggie style – as I longed for – he kissed and licked each of my toes before lifting

up my feet and pressing my deep arches together to form a small hole into which Mark pushed his cock.

After fucking my feet with a passion few guys have bestowed upon my cunt or arse, Mark exploded, showering his come all over the stilettos.

As I licked the shoes clean, I thrust a couple of fingers knuckle-deep into my aching pussy and masturbated myself to a violent orgasm, with Mark rubbing his cock into my face for good measure.

Ever since, I have enjoyed regular foot and leg sex sessions with Mark. He's since confessed that the only reason he works in the shoe shop is so that he can wank over the stock and, now that he's met me, I have made his dreams come true by letting him fuck my feet and come on whatever heels I happen to be wearing.

Myself, I quite like having a boss who is also my devoted sex slave. Perhaps you'd like to pop by one evening, any female readers, and let Mark anoint your feet with some of his special foot balm?

Tasha, Bristol.

UP THE GRASS

I'm a 36-year-old, hot-blooded male. On leaving for work in recent mornings, I've noticed Mandy, an 18-year-old girl who lives across the street from me, watching me from her bedroom window. On one occasion, Mandy suddenly lifted her top and flashed her naked breasts at me and then, with a wave and a cheeky smile, the naughty minx disappeared behind a curtain.

On my last day off, I was in the shower, having just given the grass a much needed cut, when the doorbell rang. Quickly drying myself off and pulling on a dressing gown, I raced downstairs. I was delighted to see Mandy standing on the doorstep. She looked devilishly sexy in a tight, white vest-top, which struggled to contain her large, round tits, and a tiny, teasing, blue denim miniskirt, which did nothing to conceal her tanned, naked thighs. As I ogled Mandy's chunky, voluptuous, young body, my cock stirred and rapidly stiffened. I welcomed Mandy inside and she giggled when she had to squeeze past my rampant hard on.

"I see you're nearly ready for me," laughed the busty girl as she moved up close to me. Mandy excitedly loosened my dressing gown and unleashed my swollen, throbbing cock. I gasped as Mandy ran her hands down my body and stroked my pulsing shaft with her nimble fingers. As she gently massaged my hard cock, the tip of my dick rubbed against her tiny skirt and I slid my hands up under it.

"Wait," she said as I squeezed and fondled her buttocks. She lifted her top, letting her firm, round tits spill out.

Next, she slipped off her little skirt and rolled her skimpy panties down and off, exposing her shaven, pink fanny. "Feel my hole," smiled Mandy as she resumed toying with my dick and squeezing my balls. I rubbed my hand over her hot, wet slit.

"Put your fingers in," she urged, so I pushed two fingers up her tight little snatch. Mandy moaned in delight as I teased and tickled her clit with my thumb and finger-fucked her cunt. "You dirty bastard," she screamed as she writhed on my fingers. I made the horny young tart come many times, covering my fingers in her sex juices.

Sinking to her knees in front of me, Mandy dragged her warm, wet tongue up and down my shaft. Then she tugged the base of my penis and rubbed my balls as she expertly sucked my cock, swirling her tongue around its sticky helmet. Suddenly, I groaned with pure fuck-lust as my prick twitched and exploded, filling Mandy's mouth with cum.

As she drank down my jizz, she withdrew my cock from between her lips and gently tapped the sensitive underside of the head of my dick with her fingertips,

coaxing more thick spunk out of my knob and onto her face and chin.

"Mmm, delicious," she purred. "I bet you're a beast in bed," she said as she stood up and sluttily wiped her cum-coated lips with the back of her hand. "You'll have to take me to bed and fuck me sometime," she smiled, pulling her clothes back on.

Before she left, she gave me her pink panties to keep and promised she'd be back for more sex sessions.

SUM GIRL

Hi there sexy, just thought I'd share with you my best summer's day fuck.

It was August and I was sunbathing in the back yard with my bird, Penny. She's a blonde, 19-year-old with a pert arse and a good pair of tits. I was lying down in a pair of shorts and Penny was wearing – yeah, you guessed it, she was already naked.

Her sexy body looked fantastic in the summer heatwave. As you can imagine, Michelle, her luscious body is a sight to behold. I leaned over and kissed her, then sat back in my chair.

Penny climbed on top of me and gave me a long, hard kiss as I grabbed her arse and gave it a few slaps. Penny released

her mouth from mine and began kissing her way down my chest, licking my belly button and dragging her tongue down to my boxers.

Then she started teasing my prick through my shorts, nuzzling my length and kissing my balls through the stretched material. It wasn't long before she'd pulled off my shorts and got to work on my cock.

At first, she kissed my balls and licked

my shaft all the way up before she took a deep breath and decided to take my nine inches deep into her mouth. She was slurping on it like it was a raspberry lollipop, covering my cock in her saliva.

Then she climbed onto my face and squished her sticky pussy into my mouth whilst devouring my prick. Tasting her love juices in the glistening heat was awesome.

Her shaven pussy was dripping wet so I knew I was gonna have no problem sliding my cock in when it came to it. She

crawled off my body and knelt in front of me, saying, "Fuck me, big boy!" Like I needed asking twice.

I slapped her arse and then slowly, inch by inch, I buried my cock in her pussy and started to fuck her.

You could tell that she was enjoying it; her moans were loud enough to scare off the birds! And so was I, it was so dirty.

The sweat was pouring off of our bodies. I fucked her like that until the heat and the boning left me exhausted and I sat back and let Penny ride my stiff cock while I played with her tits.

She was going at it full-throttle, her orgasms coming swiftly, one after the other. Just when I thought that was it, Penny said, "Fuck my arse," and clambered onto her hands and knees again.

I lubed up her arsehole with her own pussy juice and then slowly began to fuck the arse off her as she fingered her pussy.

It was fucking awesome and I knew it was gonna be less than a minute before I came so I pulled out and wanked in her face.

Jets of spunk shot out of my cock and all over her pretty features as she tried to catch as much of it in her mouth and swallow it. There's nothing like a girl with spunk on her face.

Barrie, Perth.

GASH GIFT

I am writing to tell all your horny readers about a fantastic evening I had for my husband's birthday.

When he came home from work I was waiting in just my dressing gown. Little did he know I had just spent the last two hours preparing myself just for him.

I had bathed and oiled my body and made sure that my pussy was bald and smooth as could be. I even had a wank as I was so excited at the prospect of having sex with him and my female friend, Fay.

Nigel likes me to tie him up so while he was in the shower I placed a chair in front of the sofa along with some cord and a silk scarf. When he came in the room I told him to strip and sit in the chair.

I proceeded to tie his ankles to the chair legs and one of his wrists to the arm of the chair and then blindfolded him with the silk scarf. I kissed him and told him to wait for his present.

Shortly after that there was a knock at the front door. Fay arrived and looked fantastic. She was wearing a very short white dress which showed off her beautiful figure.

Although her tits are not as big as mine it was obvious that she was not wearing a bra as her nipples were clearly visible through the material and I could not see any sign of underwear.

I gave her a kiss and led her through to the lounge where Nigel was sitting. Before taking his blindfold off I removed my dressing gown to show Fay my sexy outfit.

She couldn't have been more excited and immediately put her arms around me, stroking my arse through the material and then rubbing my tits and whispering to me that she couldn't wait to fuck me.

Reluctantly I had to stop her and go and remove Nigel's blindfold. His face was a picture of delight and shock as he looked at me and Fay standing before him.

We ordered him to watch but not speak as we both sank on the sofa and started our show. Fay put her hand on my stockinged thigh and slowly moved it further

up until it reached my bald wet pussy and I just let my legs part as wide as I could to give her the best possible access.

I was feeling so horny and wet that Fay was able to slip two then three fingers straight into my cunt and she used her thumb to rub my now swollen clit.

I wanted to return the feeling I was having to Fay and so I leant forward and put my hand between her legs only to find that she had also not put any knickers on and she was completely shaved.

I ran my fingers over her lips before parting them and slipped three fingers into her smooth wet cunt.

We finger-fucked each other as hard as we could, only stopping to look up at Nigel who was wanking with his free hand and smiling like a cat that had got the cream.

We moved into the 69 position and I got to taste Fay's pussy and play with her clit while she tongue-fucked me.

I wanted to stay there forever but Fay had other ideas. She said that one of us should suck off Nigel as his cock was near to bursting. I offered her the job and she jumped up and sank her lips around his cock.

I stuck two fingers into my own pussy to make them wet and then I pushed my cum-soaked fingers into Fay's arse. This made her cum again just as Nigel came in her mouth.

Fay moved away from Nigel and faced me. She pushed me hard onto my back and sank her mouth onto her pussy. She spat Nigel's cum onto my clit and rubbed it all over my bald glistening cunt making me shake to another mind-blowing orgasm and cumming all over her hand.

After we had all recovered and Fay had gone home I went back and wished Nigel a happy birthday but not before sitting on his cock and fucking the hell out of him.

TOUR WHORE

Jane was pleased to see her account of our tennis contact in an issue of *Escort*. She was really disappointed to not be included as one of the contacts listed, as previously readers' letters have been such a source of pleasure.

For example, Guy wrote to Jane begging for a pair of soaking knickers which he sniffed and wanked happily with.

Guy then wrote again asking if me and Jane fancied coming on a weekend rugby tour with his team. I could play and Jane could take photos.

Jane immediately said yes and we had several great fucks thinking about her being tour slut and being passed around a team of big horny players.

The tour actually seemed quite tame and the first day passed without incident. The fun came on the second night with a drinking game in the hotel.

Jane's first forfeit was met with a demand to take her jeans off which she did without hesitating. What the other players did not realise was she was knickerless below her long rugby shirt.

I placed my hand on her seat and as

the game continued she writhed on my fingers, up to the knuckles. Her juices sloshed as I moved four fingers around.

Jane rubbed my dick with her hand and was not concentrating on the game as she missed her cue again. The judge decreed that her job was to arouse the slumbering young tour virgin who was slumped worse for wear on the adjoining seats.

Jane strode over to Jamie with her thighs glistening and traces of her juices dripping down the inside of her knees.

**"Half a dozen
dicks rammed
my missus!"**

There was a group gasp as she bent forward to whisper in Jamie's ear because from our table directly behind we got an

eye-ful of Jane's bare behind and glistening fanny.

Jamie seemed comatose and Jane asked if the lads would carry him up to our room to tackle her task.

Jamie was whisked up by several willing helpers. I remember being embarrassed at the mess in our room and the pink vibrator on the side.

Jamie was dumped on the bed and Jane asked if anyone wanted to take a picture of her first with our camera.

Each of the lads took turns with Jane in increasingly provocative poses. Then she set about her task.

She pulled Jamie's trousers and pants off to reveal a large but limp dick which she began to lick on all fours, her beautiful arse stuck out at the end of the bed toward her audience.

Jane ordered me to pass around the condoms and said she wanted everyone to fuck her from behind while she worked on Jamie.

The next ten minutes was a rapid fuck-fest as at least half a dozen dicks rammed into my missus.

Jamie was by now finally roused and his impressive dick was

filling Jane's welcoming mouth. As the fat prop forward Wilko came, Jane took the opportunity to clamber up and straddle Jamie.

After bucking for a few strokes she leaned forward, looked over her shoulder and told Guy to fuck her arse.

I was so turned on I could not help but go and stand by the bed in front of Jane and stick my dick in her hungry mouth.

Jane never stopped gobbling as she got fucked in all holes. I exploded in her mouth and my cum dribbled down her throat as she began to scream her way to orgasm at the same time as the ecstatic tour virgin.

Guy was last to climax inside Jane's ring. His knees began to buckle as he let out a guttural groan.

Jane looked up to see poor Phil still with his condom on, having not got in on the act. She beckoned him over and took his condom off and began greedily sucking and wanking him before timing it perfectly to aim his jism over her tits.

Jane tenderly then popped Phil's knob back in her mouth and licked it clean.

Everyone was now seen to and the lads retired to their own rooms with their commemorative photos and memories.

Head 2 The Love Club, ANTWERP

Never fancied Antwerp? Angus Brown will convince you to book a flight. Right now.

Belgium! Not a country you'd associate with wild swingers clubs. Nevertheless, there are quite a few of them. I've been to Brussels a few times, but had never partied in Antwerp, until a "slut" that I met in the Candy Club in Amsterdam told me that she and her husband often played there. The club she recommended was a place called The Love.

Once I'd arranged a hotel, I contacted the slut (her husband calls her that, so I thought I should abide by his rules, which I'm sure turns them both on) and we agreed to meet on a Friday night.

I arranged to meet them inside the club. He told me his wife – I'll call her

play in there, surrounded by a few very interested guys.

I'd obviously

Liza – would be wearing a sheer blouse, black bra (holding up her 36D's) and a miniskirt with ripped stockings. Liza is 27 years old and very good looking. When dressed normally, you wouldn't think she was a swinger. With her long black hair and beautiful green eyes she'd be more likely to be a model.

I got there at 12.30am and, after I had paid, had a quick look around for my friends. They didn't seem to have arrived just yet, so I took the opportunity to explore all the different rooms. I liked the dungeon, which seemed to be quite well equipped with lots to play with. I'm not a hardcore S/M fetishist, so I don't know if it would meet the standards of a veteran of places like Torture Garden, but there seemed to be enough on offer for the swingers at The Love to experiment with. There was a couple already at

arrived just as things were getting lively, as within ten minutes about 30 other people had turned up. As with a lot of clubs, the newcomers were mostly men, but there were also four or five couples. I still hadn't seen my slut couple yet. I walked into an area called the dark room. This has a sectioned off area for people to play in, and a darkened area for people to watch. If you get off on being watched, or watching, it's the dog's bollocks! It was very fucking dark, though, and I must have bumped into half a dozen people as I tried to get to the viewing window to see what was going on.

The moment I made it to the window I realised why I hadn't found my friends... they were in the viewing room. Now, club rules are there for a reason. In dark rooms like this, you're meant to watch, and nothing else. Calling out, tapping on the window, asking for requests... all of this is off limits, for the simple reason that a lot of people get off on the idea of being spied on 'secretly' by a peeping tom-type, and communication ruins the whole fantasy. Not to mention the fact that it's hard to get your freak on when

there's constant tapping and calling! So when I called out and tapped on the window, I was asking to be turfed out. Particularly as Liza was flat on her back on the bed with a big black guy licking her pussy, and another guy's cock in her mouth.

Thankfully, her husband saw me and motioned me in. He didn't say anything other than, "Fuck her, she's yours for the night!" Then he gave me a thumbs up. I stripped, watching as Liza twisted wildly on the bed. The black guy had obviously hit the sweet spot on her pussy. My cock was getting harder by the second as she writhed with pleasure, although the cock in her mouth stifled any moans. She was still clothed, apart from having her micro-mini pushed up over her silky smooth thighs. I was really looking forward to this, as I hadn't fucked her before. In Amsterdam we'd just chatted after playing with other partners, so I guess you could say that I was on a promise!

Her husband said that we should stand her up, tear off her clothing and

on it like it was a cock. Her firm tits were jiggling as she sucked my finger, so I leaned down and took a nipple in my mouth, sucking harder and harder, until she screamed with pleasure.

I grabbed her and walked into the voyeur area, where a group of around 15 guys – who had been watching us rip her clothes off – were ready to pounce on her. As they moved in and started groping her, she just stood there, moaning loudly, saying over and over than she wanted to be gang-banged. I took her from room to room, collecting more and more guys. Some just wanted to watch, as in all swingers clubs, but most wanted to play.

Out of the corner of my eye I saw the blonde girl who had been stripping when I first arrived. Now she was getting fucked, bent over doggy-style right in front of me. There was just one guy fucking her. I let go of Liza's hair and let my hand slowly caress the blonde's arse, letting

then, I heard a very loud moan from one of the other rooms, followed by a lot of clapping and cheering. I pulled my cock out of the blonde's mouth and walked quickly towards the noise.

There was Liza, in full view of everyone, drinking from a champagne glass that was half full of cum. I found out afterwards that it had been nearly full when she took the first slurp. The husband had gotten as many of the guys as he could to get a blow job from her, but when they were about to cum they pulled out and shot their loads in the cup. When everyone had cum, the glass was given to Liza, for her to drink. As I watched, Liza gulped down the second half of the glass and then swallowed it. More clapping. She had a big smile on her face. Then she looked at me and pointed to my cock and then her mouth.

Everybody was watching as she knelt down in front of me and pushed her mouth over my cock. Her husband positioned himself behind her, and slid his cock up her arse. I could just see him going in and out of her cunt. I started to get even more turned on, knowing that everyone was watching, so I could only go on for a minute before moaning loudly that I was going to cum. Liza pulled her mouth back, opened wide and let me spray all my cum into her mouth. Her husband then pulled out of her arse and emptied himself into her mouth too.

I had never been to a swingers club before where I had seen a woman had swallow so much cum.

All I can say is, Antwerp, bloody hell – get there if you can.

"She was drinking a glass half full of cum"

then parade

her around the club. He would wait for us in the room until we returned with any men who wanted to use her. He liked the word "used" and said it about six times before we stood her up, and started removing her clothing. He shouted "NO!" loudly, moved forward, ripped her blouse open and said, "Rip her clothes off, she's a cheap whore". Normally, I'd have been a bit freaked out by a bloke talking about his missus like this, but knowing them both a little, I knew that this was their thing, a power play scenario where she's a submissive slut, so I was happy to play along.

With Liza smiling wickedly, I ripped her skirt in two. The other guys grabbed and ripped the rest of her clothing off. We left the stockings, as they were ripped anyhow. From the way she was moaning, I knew this was as much her fantasy as his. I knew she had to be getting wet, so I leaned forward and parted her pussy lips with my middle finger. She was soaking wet. I then slid the wet finger into her mouth, and she started sucking

her realise that someone else was touching her, so that she could decide whether to let me continue or stop.

She didn't flinch, so I moved round to her face and slid the same finger that had just been in the slut's cunt into her mouth. She started licking my finger very sensuously. I decided to remove my finger and see if she fancied my cock instead. I rubbed the end of my cock against her lips, and when she opened them to lick it, I slid the head into her warm, wet mouth. She pressed back against the guy fucking her and reached around me, grabbed my arse and pulling my entire length down the back of her throat. I nearly fucking came right then. She sucked hard and wouldn't let me go. The guy who was fucking her came at the sight of her going crazy over my cock, pulling out so he shot his load all over her back. He was hardly out of her slit before another stiff dick replaced him. I decided to kneel down and let her suck me while I played with her tits. Just

Not much cooking but plenty of cocking goes on in Laura's kitchen. "I'm not much of a whizz at baking cakes or whipping up omelettes, but that's mostly because my husband can't let me go five minutes without pulling up my skirt and pushing his prick up me over the counter!"

Need a spot of help rubbing that moisturiser in, Abigail? "Yes, please. I like to keep my breasts looking youthful and firm. There's only one thing better than moisturiser – and that's hot spurting spunk straight from your cock. Why not give it a go?"

Massage stalwart George McCoy checks out London's burgeoning corrective scene...

"Fantasy role play is one of her specialities"

Tel: 07503 289142
www.ladyseductress.co.uk

With all the articles I have written about the adult services on offer around Britain, I have periodically featured ladies or establishments offering corrective services. This month's report is the first exclusively on this theme, dealing with the corrective scene in London.

Greater London accounts for over a quarter of all the corrective services to be found in the United Kingdom, the only city with such a large corrective sector in proportion to its population being (bizarrely, since it currently has no parlours) Glasgow.

The nation's capital boasts corrective services of practically every kind you could imagine and some unique exponents of this black art. Very notably it boasts a club where all the dominatrices are black, so if it is to be dominated by

black women that you crave, London is the place to go. It has a Polish dominatrix, who gave me the most memorable corrective session of my life and even an escort agency, where all the escorts are in fact dominatrices!

In Bethnal Green you can visit **Club Black Whip**, where corrective devotees can be abused as much as they feel they can take but in a safe environment by any of a delightfully varied selection of black ladies. If you would rather be abused by one of them in private, you

can hire the associated **Hoxton Dungeon Suite**. Both are run by Madame Caramel, who is very much a hands on and active dominatrix. However as the owner of **Club Black Whip**, she is very flexible about when she sees slaves, though being a decidedly sadistic dominatrix, **Madame Caramel** is not as sweet as her name would indicate. Another regular at Club Black Whip, but also available in a domestic setting in Upper Norwood, though mainly seeing her slaves at a dungeon in Tottenham Hale and boasting a delightfully enhanced athletic figure and dominating professionally since late 2008, **Mistress Kiana**, who hardly looks her age, is one of the most notable dominatrices to emerge on the scene in London in recent years. Prepared to dominate very skimpily clad, indeed she is

game for personal body worship, she is prepared to give her slaves a tantalising glimpse of how beautiful yet unattainable she can be, yet she is also very fit and stands for no nonsense. After your initial consultation, be prepared to be seriously abused, whether it is with a cane, a strap-on or simply by being tied and teased. The most interesting speciality she offers to her most devoted slaves is cuckolding, where they are allowed to be in her

presence, always securely restrained, while she and her male partner make love.

Another resident mistress at Club Black Whip, is **Mistress Ika**, who also has a slave girl, who will perform what any client requests within reasonable limits at her alternative location, a first class dungeon in Tottenham Hale, where she just loves putting men in their place. She has a second website at www.blacklondonmistressika.co.uk.

However the most interesting establishment to emerge recently is **De Sade Escorts**, which has only been in operation since late 2012, and is an interesting idea that has finally turned into an agency. The ladies of De Sade are all versed in the dark arts of domination, though they include several ladies prepared to be submissive and even the odd adult actress.

Since they are as likely to visit you as you are to visit them, you should only expect a pretty basic corrective experience from equipment they can fit in a bag. That said, if any of the ladies can perform half as well as they look, you should have a very satisfactory experience.

Established in 1997 and now a veritable institution, the **London Retreat** is unique in my experience, among all the official or unofficial establishments that I have visited. It combines fantasy and more conventional services and it is often difficult to fix an appointment there, because the ladies are all so popular and there is only one on each day. Furthermore the premises are safe,

discreet and clean and the ladies are uniformly attractive, and can come up with whatever role play fantasy you might have in mind. Not so much an establishment, more a unique experience. I recently enjoyed a session with Kate, one of their longest serving ladies, who has been entertaining there one day each week for almost ten years, and is a statuesque brunette somewhat reminiscent of a cross between Liz Hurley and Demi Moore, though without any trace of an American accent. And she knew just how to maintain the tension in the session for all the time I was there.

Another lady, whom I experienced a session with some years ago is the

mature mistress, **Mistress Ava**, who was working in Victoria, when I saw her, but who now operates from a very well equipped dungeon near the British Museum. Operating since the early 1990s her dungeon boasts a rack, two benches, stocks, suspension equipment and a wealth of further whips, canes etc. And then in her schoolroom there are two more benches for the naughty boys and her TV boudoir boasts hundreds of outfits in all sizes if a transformation is what you are looking for.

One lady who boasts a particularly well equipped dungeon is **Miss Miranda**, a very attractive but clearly very fit and strong lady in her thirties. With electrotherapy, medical play and TV services amongst a wide variety of services on offer and the ability to have one's session recorded on video, DVD or photo CD, Miss Miranda

**MISTRESS
IKA,
London N17**

**"She loves putting
men in their place"**

comes up with as comprehensive a range of services as can be imagined. And she has four rooms, a 20 foot square main dungeon, a cell block M, a medical room and perhaps most distinctively, a mummification and suspension room, where one can be literally dangled from the ceiling. Furthermore, this lady keeps well and truly in shape by regularly attending a gym. All in all a lady who has it all and who will make sure that any prospective slave knows his place.

The lady from whom I experienced personally the most mind-boggling session several years ago now is however **Goddess Alexia**. A very attractive lady, Mistress Alexia now sees her clientele either at her home in Kensington or at a discreet apartment not far

from the Edgware Road end of Marylebone Rd. Boasting a magnificent piece of equipment in which one can be

secured in practically any position the Mistress decides on, she is able to take her clientele as far as they wish or further than they could imagine, coming up with practically every corrective service around. From my own experience of a no-holds-barred session with her, I can testify that Mistress Alexia is undoubtedly one of the most attractive yet demanding dominatrixes currently operating in London, and this is not a lady one should even think of trifling with. She now runs the London School of Domination for couples who

want to take their relationship to another level or ladies who want to learn the art and practice of effective domination from a true goddess of the art. See <http://www.londonschoolofdomination.com>. And she now runs a BDSM retreat in Krakow, The Other World Kingdom re-loaded!

A lady who has worked with Goddess Alexia on one occasion and who also comes from abroad, though in her case, abroad is Canada, is **Lady Bellatrix** who often teams up with other particularly formidable dommes, such as the Huntress and Mistress Jezebel, though it should be noted she is not always available in London, since she travels both throughout the United Kingdom and internationally. Now only initially contactable by e-mail, this is not a lady to be taken lightly, being someone who for example enjoys ball-busting, interrogation and role play, but she is pretty open-minded about coming up with most forms of extreme domination. All in all, this is not a domme for wimps!

The last lady I feel worthy of mention in this article is

one of the most delightful that I have come across. Operating from a very pleasant flat only a stone's throw from Piccadilly Circus rather than a Gothic dungeon, **Lady Seductress** offers erotic domination and teases to great effect. She only takes a limited number of appointments each day, since she appreciates the last thing any client wants is to be disturbed during the session by a phone call. On arrival they are treated to a glass of wine while they discuss with her how the session should proceed and it can even start with a massage to relieve the tension if the client wishes. Fantasy role play is one of her specialities and her services range from the sensual for those who are nervous to strict and demanding for those who are more experienced. And while in her late thirties she has the body of a lady at least ten years younger.
